

OUSSAMA NEKKER

Hospitality Digital Support / Web Developer

Essaouira, Morocco | +212 635 815 709 | nekkeoussama54@gmail.com | oussama.nekker.xxx@gmail.com | oussama.nekker@trsmgr.com | <https://trsmgr.com>

PROFESSIONAL SUMMARY

Web developer based in Essaouira with front-desk and night-audit experience in local hospitality. I build websites and small digital tools for riads, hotels, restaurants, and tourism businesses, with a focus on guest questions, direct contact, multilingual pages, and clean mobile flows. I also managed seven Enactus student projects, so I am used to finding the issue, organizing tasks, and keeping deadlines.

CORE STRENGTHS

- Hospitality operations: check-ins/check-outs, reservations, late-night guest questions, night audit, and calm issue handling.
- Website delivery: room/service pages, inquiry forms, WhatsApp paths, Google Maps/contact links, and basic SEO structure.
- Languages: Arabic native, French fluent, English professional.
- Project coordination: task planning, team follow-up, problem solving, and deadline control across seven Enactus projects.

EXPERIENCE

Freelance Web Developer / Hospitality Website Builder | Self-employed / Upwork | 2024 - Present

- Build production websites and web applications using React, Next.js, Supabase, and Tailwind CSS.
- Design multilingual pages where the next action is obvious: call, WhatsApp, map, inquiry, or booking request.
- Support local business projects, including restaurant and service websites, with mobile-first contact flows.
- Achieved Upwork Rising Talent status and handled front-end/integration work with Mogador Boost.

Hotel Front Desk / Night Auditor | Riad Aylal, Dar Soulace, Noqta Space | Essaouira

- Handled check-ins/check-outs, reservations, guest questions, front-desk communication, and daily operational needs.
- Supervised night operations where small details matter: late arrivals, quiet service, guest safety, and clear handover.
- Use that hospitality experience to design websites around real guest questions, not just pretty sections.

Team Manager / Project Manager | Enactus Club, Sultan Moulay Slimane University | Beni Mellal

- Managed student teams across seven projects in agriculture, electronics, digital solutions, and robotics.
- Identified project issues, proposed practical fixes, delegated work, and followed deadlines while still a student.
- Built leadership, teamwork, communication, and presentation experience under real project pressure.

SELECTED PROJECTS

- Tourism Manager - portfolio/studio website for riads, tour operators, restaurants, and hospitality projects, with CV and service-offer downloads.
- RiadOS - prototype hotel operations system for reservations, guest records, billing, room changes, and Arabic RTL workflows.
- E-commerce platform - Next.js and Supabase store with cash-on-delivery checkout and trilingual routing.
- Beauty and hairstyling business website - trilingual marketing site with booking flow for a Moroccan client.
- SkillClub / FClub - student skill-sharing social platform with feed, messaging, clubs, auth, and dashboards.

TECHNICAL SKILLS

- Frontend: React, Next.js, TypeScript, JavaScript, HTML, CSS, Tailwind CSS.
- Backend/data: Supabase, PostgreSQL, Auth, Storage, REST APIs, Python basics with Flask/FastAPI.
- Tools: Git, GitHub, Vercel, responsive design, multilingual/i18n, RTL interfaces, debugging.

EDUCATION

Sultan Moulay Slimane University | Mathematics, Physics, Chemistry & Computer Science | 2022 - 2025

Nawras Mogador High School | Physics Baccalaureate | 2021
